

YOUR NIGHT. YOUR OWN RHYTHM.

DJ, sound and visuals for weddings, celebrations and events. Spain and the Netherlands. The plan starts with your date, your venue and your music.

01 THREE WAYS TO PLAN IT

CELEBRATIONS

DJ SET

4-5 hours of DJ music for birthdays, anniversaries and private parties.

Music agreed with you
Sound matched to the venue
Setup and pack-down
Microphone to suit the setup

A quote for your event

Based on date, venue and format.

WEDDINGS / FULL DAY

THE WHOLE NIGHT

From the ceremony to the final track, with a timeline agreed before the day.

Planning call and written schedule
Ceremony, drinks and party
First dance prepared
Requests coordinated with the DJ

A quote for your event

Based on date, venue and format.

TAILORED PRODUCTION

WE SET IT ALL UP

For a venue that needs its own sound, lighting and visual production.

Venue assessment beforehand
Coordination with the venue
Sound and lighting to fit
Visuals and support as agreed

A quote for your event

Based on date, venue and format.

Your written quote specifies duration, equipment, travel and applicable taxes before booking. Any extras are agreed in advance.

FROM IDEA TO EVENT

We plan the music with you and the setup around your venue.

02 SOUND WITH A PLAN

SPAIN

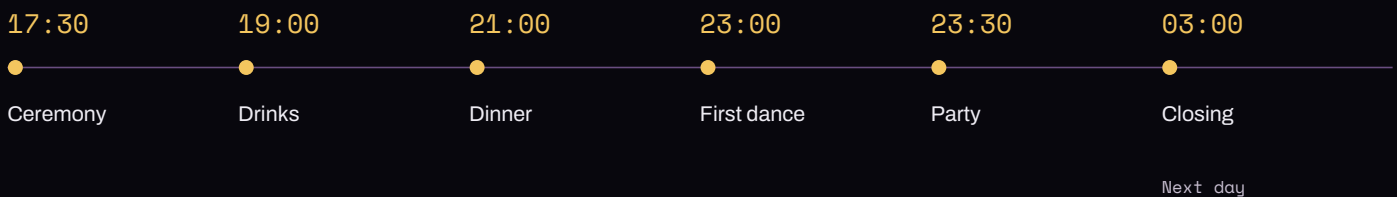

Based in Madrid. Audibax DSP15 PA and sound prepared for the venue. Any additional equipment is specified in the quote.

NETHERLANDS

A support base in Arnhem and equipment available in Gelderland. We confirm what each venue needs before finalising the proposal.

Custom intros, karaoke, live performances, visuals and event artwork: availability and pricing on request. Song requests are coordinated with the DJ and their music library.

03 AN EXAMPLE WEDDING

An illustrative timeline from 17:30 to 03:00. The actual finish time is agreed with you and the venue.

04 PLANNING YOUR DATE

- 01 Send your date, venue, times and guest count.
- 02 We discuss the space, equipment and your music.
- 03 You receive a written quote and terms.
- 04 We confirm the booking under the agreed terms.

Check with the venue: finish time, sound limiter, loading access, electricity and a wet-weather alternative.
